Possible Research Questions:

**For Reading**

How's your reading going?

Have you read this book before?

Do you know anything about this topic/author/series?

Why did you choose this book?

What are you working on in your reading?

What's going on so far?

What are you learning?

What are you thinking?

Can you read a little bit for me?

**For Writing**

How's your writing going?

What are you working on in your writing?

Are you using any of the new strategies you've learned or charts in your classroom?

What are you planning to do next?

If you were going to revise it more, what could you do?

Could I teach you another way you can make your piece even better?
