"I Want to go on Trailblazer today!" I said.

"Oh I want to go on Trailblazer too!" exclaimed McKenna and all of the boys while we were talking in Hershey Park.

Do the rest of the girls want to ~~come~~ come on?" I asked.

"No we do not want to come on," said the girls!

After we decided who was going to go on Trailblazer McKenna the boys, and I all ran to Trailblazer so we could get the first seats. McKenna sat next to me. I was feeling happy that I got to go on a ride with my

friends.

Clickety clack, slowly lifting us all the way to the top of the track. I was feeling ready to go down the hill.

Suddenly Vinnie started screaming, "I want to get off!" But I was still having fun.

When Trailblazer stopped McKenna and I were laughing.

"Let's ride Trailblazer again!" McKenna exclaimed.
