Teacher(s): _____

Lesson Title: _____

Lesson Goal: The writers will be able to _____

I DO: This is where you model how to do the strategy you are teaching. You may use the document camera, chart paper, or whiteboard to teach the group.

WE DO: This is where the students practice with your guidance. They may raise hands to answer questions, help you do the skill/strategy, or do it with a partner.

YOU DO: This is where students attempt the skill on their own, probably in their notebooks.

RELEASE: This is when you send students off to write. What will you say to remind them to use what they learned in your lesson?
